WELCOME TO THE WORLD OF ROALD DAHL

**“All you do is to look  
At a page in this book  
Because that's where we always will be.  
No book ever ends  
When it's full of your friends”**

This rhyme is from *The Giraffe and the Pelly and Me*.

**“And above all, watch with glittering eyes the  
whole world around you because the  
greatest secrets are always hidden in the  
most unlikely places. Those who don't  
believe in magic will never find it.”**

This quote is from Roald Dahl's last children's story, *The Minpins*. In fact it is the very last line of that very last story.
