

YEAR 11 FRENCH SPEAKING ASSESSMENT

Controlled Assessment (Photo-based speaking task). 4-6 minutes

French speaking assessments are taking place in the week beginning Monday 19 October. Precise times and rooms will be given out in lessons shortly.

Les Vacances

Picture-based discussion

Find a photo or picture of a recent holiday. Your task is to give a presentation of **no longer than 1 minute** on your photo before discussing the holiday in more detail and holidays more generally.

The picture is the starting point of the task and that therefore the task **must start** with reference to the photo e.g. *Voici une photo de ma famille en vacances en Espagne. On peut voir l'hôtel ici dans la photo et derrière ma famille il y a la piscine....*

IN YOUR INITIAL PICTURE-BASED DISCUSSION YOU MUST CONTINUALLY REFER TO YOUR PHOTOGRAPH.

The photo will be collected by your teacher at the end of the assessment and sent off to Edexcel, so you **MUST** have a picture.

You will need to use a variety of tenses as well as opinions and justification to reach the higher mark bands.

You should be prepared to answer any other questions related to your picture from your teacher.

Unpredicted elements could, therefore, include questions on aspects not covered by the bullet points, but they may include reference to the following.....
