What Was Effective Participation?

- ▶ *When you actively commit to take part in something that brings about a positive outcome.*

Remember: Effective participation can happen in a number of roles within a group, you do not always have to be a leader to participate effectively!

- ▶ What have you participated/been involved in in your time at Arden?
- ▶ What can be put on your CV/Personal statement when applying for leadership opportunities/colleges/universities/jobs?

What are you going to get involved in and participate effectively in?

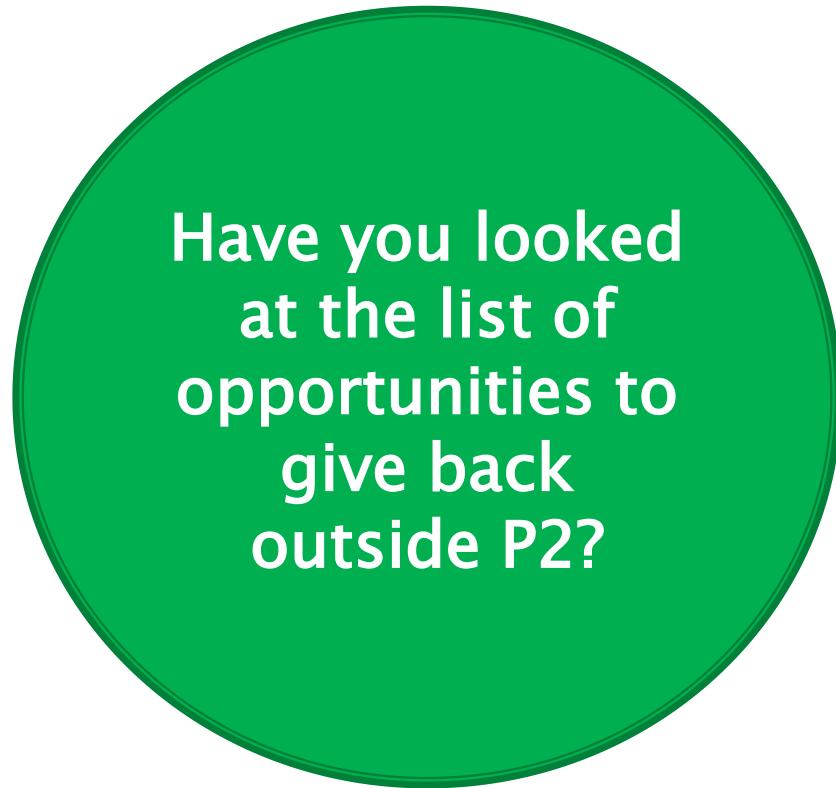

Using the next 2 slides...

Make a list of the things you want to be involved in within your time at Arden....
