

KS4 – Year 10 – Art and Design

Term	Topic Titles	Brief Overview
1	Skills project	Students will revisit and develop skills in a range of media (including pencil, watercolour, acrylic paint, biro, mixed media) whilst observing different stimuli and artists in readiness for their first coursework project. They will progress and refine their work with feedback and guidance from their teacher.
2	Coursework project 1, AO1, AO3	Students will begin their first coursework project developing an understanding of the requirements of a GCSE project. They will choose a theme that will be of sustained interest to them, recording observations, developing ideas from research of contextual sources, experimenting with styles, media and techniques to create a detailed investigation. They will progress and refine their work with feedback and guidance from their teacher.
3	Coursework project 2 AO1, AO3	Students will start a second coursework project from a different set of titles. They will choose a theme that will be of sustained interest to them, exploring a new set of artists, recording observations, developing ideas from research of contextual sources, experimenting with styles, media and techniques to create a detailed investigation. They will progress and refine their work with feedback and guidance from their teacher.
