

KS5 – Year 12 – Photography

Term	Topic Titles	Brief Overview
1	Introduction to Photography / Mini Projects	Students will learn how to use a DSLR camera, professional studio equipment and develop their post-production skills in Photoshop. They will learn how to respond to photographers under a range of titles and develop their ideas into personal and meaningful outcomes.
2	Mock Task Set Project	Students will experience a mock exam project, choosing their own title from a selection of themes, responding to their choice of photographers and developing their ideas into a final piece which is produced under a 15-hour supervised period.
3	Personal Investigation and Essay	Students will begin their own personal investigation under a title of their choice, responding to photographers and developing their ideas into personal and meaningful outcomes. They will accompany their practical work with an extended written task (Related Study) which explores their theme and context in more detail (Practical portfolio 60% of the A level grade).
