

KS4 – Year 10 – Drama

Term	Topic Titles	Brief Overview
1	Understanding Drama	Students will develop their understanding of context, narratives, themes, characterisation and atmosphere in the set text.
	Devising Theatre	Through the introduction of theatre practitioners and styles students will be introduced to the devising unit.
2	Devising Theatre	Students will begin to devise an original piece of theatre based on a teacher led stimulus. Students will also produce a written log that outlines personal responses to the stimulus, development and collaboration.
	Understanding Drama	Students will continue to develop their understanding of context, narratives, themes, characterisation and atmosphere in the set text. Students will complete work on live theatre performances looking at the performance and the practical and design elements present in the work.
3	Devising Theatre	Students will perform their original piece of theatre and complete their written log.
	Understanding Drama	Students will continue to develop their understanding of context, narratives, themes, characterisation and atmosphere in the set text. Students will continue to explore the live theatre performances looking at the performance and the practical and design elements present in the work.
	Texts in Practice	Students begin to explore a range of texts and practitioners covering a range of genres, themes and issues.
