Dear Parent/Guardian

## E-Safety – Taking Control

Welcome to the summer term. Towards the end of this term your child will be getting ready to move up to the next year in September, which will be an exciting new stage in their education and we are very much looking forward to working with and teaching them this term.

Moving into a higher year group, will involve an increased level of learning, responsibility and participation. We will be calling upon them to undertake extra work at home, much of which will be internet based.

You will be aware the internet hosts many exciting opportunities for education. The online world is a wonderful place for young people to explore, with unprecedented opportunities for learning and creativity, but just like the real world there are risks and dangers they should be aware of and which we should all act to protect them from. As a school we encourage the use of technology as an important part of our students' development but always want them to spend their time online safely. As a parent/guardian you can play a significant part in ensuring this.

Just a few simple steps by you can help keep them safe and give young people the awareness to know what to do if they feel uncomfortable about anything they encounter while on the internet. If you do not wish for your child to be able to access any inappropriate content online, please ensure that their computers, laptops and other devices with internet access are all fitted with parental controls. You can find free downloadable versions online or you can contact your internet service provider (such as BT, Talk Talk, Sky) for more information.

As a **minimum**, please set parental controls on your search engines, YouTube account and the mobile phone your child uses.

One of the most popular search engines in the world is Google. You can visit Google's informative safety centre for **simple** step by step guides - [www.google.com/familysafety/tools](http://www.google.com/familysafety/tools)

Here are a few options available to you; they truly are simple to set, promise.

Visit the Google home page – [www.google.co.uk](http://www.google.co.uk) and click on the 'search setting' tab in the top right hand corner.

EXCELLENCE AND DIVERSITY

Scroll down the page and change the filtering options to suit your family's needs. Make sure you lock the safe search; otherwise these settings can easily be changed without your knowledge:

**Safe Search Filtering** [Google's SafeSearch](#) blocks web pages containing explicit sexual content from appearing in search results.

Use strict filtering (Filter both explicit text and explicit images)

Use moderate filtering (Filter explicit images only - default behavior)

Do not filter my search results

**Lock SafeSearch** This will apply strict filtering to all searches from this computer using Internet Explorer. [Learn more](#)

You can also set this on your child's smart phone:

**SafeSearch on your phone**

SafeSearch is accessible on your mobile device by using the browser to access the Google homepage. Choose settings located at the bottom of the screen and you'll see the option to select Strict, Moderate or to turn SafeSearch off completely.

Please be aware that no filter is 100% accurate. CEOP advice that you talk to your child about the sites they use. Why don't you discuss:

- Their favourite online sites
- What they enjoy most, the fun aspects of being online?
- What they think can go wrong?
- How would they react if things got out of control?

Let them know that you understand that situations happen online and that seeing 'adult' material can make them feel uncomfortable. Make sure they know that you are there to help.

I have also attached some further advice from CEOP and your child will have a special assembly this week on E-Safety and they will also be looking at our safe use of the internet agreement.

You can also visit The Child Exploitation and Online Protection Centre (CEOP) parents' information website at any time for more information - [www.thinkuknow.co.uk/parents](http://www.thinkuknow.co.uk/parents)

Yours sincerely

**Mrs E Allton**
