To all at Arden Academy

We would like to thank you for your donation of £2,564.97 your support really will change lives.

We have used the money as below;

£1,152.00 Bursary for 4 particularly needy students

£1,035.00 School uniforms for 200 students

£ 357.97 School lunches for 2,000 students

Your help has allowed 4 students to return to their studies secure in the knowledge that they can finish the academic year without the worry of having to pay school fees. A child would normally have only one school uniform which would have to last the whole year, washing in salt water dramatically reduces the life of a school uniform so extra help enables us to provide more uniforms. Our school lunch programme is vital for most of our students as for many of them this will be their only meal of the day.

Thank you
