

Feedback from Parents information evening 20.11.14

1. Very good session
2. Reece was very nice to talk to
3. Enjoyable and informative
4. I was comfortable with my level of knowledge but now realise how much I didn't know
5. A very interesting evening – amazed by how many apps there are out there which are easily accessible
6. Very helpful evening, particularly impressed with the students
7. Thank you. The pupils introduction session to different apps and sites and potential dangers was really good
8. Very good information
9. Workshops were good with focus on different elements
10. Would have appreciated paper handouts of workshop material so I could make notes of items I must do on returning home
11. Video was particularly interesting and reinforced dark side of online/internet. Well done.
12. Really interesting insight into world of social media and gaming
13. I am really glad I come, learnt new stuff that can help with my parenting. Please continue to run this awareness
14. Time to bring in tablet etc to actually go through parental controls etc
15. Informative and a good reminder of how to stay safe. Learnt some useful websites
16. For me, gaming is biggest issue and would have appreciated more on this. However the session was very helpful. Thank you
17. Very informative, great improvement with works etc. Shame not more people came
18. Thank you – very interesting, particularly useful as we have just bought our daughter a laptop. Perhaps a checklist to support what we have to have in place when you purchase a laptop or iPad
19. Many children in Year 8 are playing 18+ Xbox games at home – can a letter be sent to parents explaining the violence and graphic sex scenes please?
20. Very powerful message in gaming session – shocking examples of games. If I was ever wavering about 18 games I am now renewed with resolve
21. Very informative. Thank you

22. Really useful evening – good ideas of how to talk to son
23. Parent settings/restrictions/settings
24. Hugely informative and worthwhile, thanks! Worrying in a useful way
25. Very useful – found the gaming shocking. No information on how to find the history of what the child has been looking at/playing
26. Shocking to see 'Call of Duty', good to emphasise communication with child
27. As someone who likes to keep abreast of social media, most of that side I knew about. But the gaming side of things I found really informative. Thank you
28. Signs of gaming addiction; ISP controls, Youtube filtering – didn't know you could do this
29. Very useful evening given me lots to think/worry about. So much changing so quickly – worth coming each year
30. Good sessions, great involvement of pupils and relevant and helpful information. Thanks
31. Very informative, knowledgeable staff and students. Some very worrying stats and video clips (GTA/COD)
32. Very informative and enlightening. Especially the session on gaming. I was shocked I had no idea! Make the sessions longer as very worthwhile
