Dear Parents/Guardians

Arden Academy Ofsted Inspection 14 June 2022

Please see attached a letter from Ofsted regarding their inspection of Arden tomorrow, 14 June 2022. Also attached is their document 'School Inspections - A Guide for Parents'.

Their letter refers to an online survey to tell them your views of Arden - here is the link to the survey - www.parentview.ofsted.gov.uk. They have asked that this is completed please by 11am on 14 June 2022.

As you may be aware, we have not been inspected since 2008 and so we are pleased to be able to show the inspectors what a fantastic school we are and maintain our 'outstanding' grading. We are very proud of our pupils and staff and are keen to ensure that the next two days showcase the very best of Arden. As a big part our team, we would, therefore, like to encourage you to share your views with Ofsted. We are well aware that you are all busy people, but hope you will find the time to complete this survey.

We will be emailing you separately to ask your children to complete an Ofsted online questionnaire too.

Thank you for your cooperation and support as always; it is our parental support that helps make Arden an outstanding school at the heart our community.

Best wishes

Mr D Warwood
Associate Headteacher
